Mercy Ships Australia recommends flying with Emirates as this is the quickest route. If you are considering booking a flight that is not listed above please confirm with your Placement Facilitator. Flights purchased not matching those listed may need to be re-booked at your own expense.

Visas & Immigration

Mercy Ships has an agreement with the government of Senegal which allows our crew to enter the country on a temporary visa. However, we are required to submit your travel details and passport photocopy to immigration a minimum of four weeks prior to your travel date. Therefore, once we receive your travel details (on the Pre-Arrival form), we will request your temporary visa waiver letter from the government and send it to you via the online Application Portal (typically one to two weeks before your scheduled travel date). You will need to print these documents and carry them with you to show the airline/ticket agent at the airport upon your departure, and to immigration authorities in Senegal upon your arrival. If needed, feel free to contact the Purser on board or the HR department at the International Support Center in Texas. We would encourage you to arrive at the airport early and carry the phone numbers (listed below) with you in case you have any problems.
